RE: NATIONAL 4-H CONFERENCE

June 13-19, 1959

Bulletin No. 4
April 22, 1959

Friends of 4-H Day -

Tuesday, June 16, has been designated as Friends of 4-H Day in recognition and as a special tribute to the many friends of 4-H Club work. A highlight of the day's program will be the formal opening of the National 4-H Club Center. A program outlining the day's activities is attached.

An invitation will be going to the friends who serve 4-H on an interstate and national basis. We would like to include a few selected friends within your State who you feel would like to attend these special activities. If you have several persons who you believe should be invited, please give us their names, addresses and their area of service to 4-H. All invited guests will travel at State or private expense. Send list of recommended guests to E. W. Aiton, Director of 4-H Division, not later than May 1st.

Conference Souvenirs

The souvenir of the 1959 National 4-H Conference will be a four-inch brass paperweight similar to the one used last year. This will be available for purchase at \$2.00.

Many States like something of this kind for use as a gift to Congressmen and for the delegates to take back as a remembrance of their week with National 4-H Conference. A photostat of the paperweight is attached. A supply will be reserved for the States making an advance order before May 15th.
